

## Blue Mountain Trade-In Program Rebate Form

**Thank you for being a Dynon customer. We appreciate it!**

The purpose of the Blue Mountain trade-in program is to help our fellow pilots who lost out when Blue Mountain ceased operations. We will rebate \$1,000 when you trade in a Blue Mountain system when purchasing a SkyView System.

### **The steps of the refund process are:**

1. Purchase a SkyView System, either directly from us or from an authorized dealer. **Save your receipt.**
2. Once you have removed your Blue Mountain products from your airplane, package them and send to us by whatever shipping method you wish. You are responsible for shipping and insuring (if desired) your products.
3. Please complete the other side of this form, and include with your shipment.
4. Include a copy of your SkyView purchase receipt which shows the price you paid, either from us or a dealer.

**IMPORTANT NOTE:** This form and a copy of your SkyView receipt **MUST** be sent back to us.

5. We must receive your Blue Mountain System, this form, and a copy of your SkyView receipt **within four months of your SkyView purchase.**
6. We will then send you a check for US \$1,000.
7. If you wish to send in your Blue Mountain Equipment before your purchase, that is fine. Once we receive your old equipment, we will credit you towards the purchase of the SkyView System.

### **Offer Details**

1. You may return your Blue Mountain products as a trade-in for a new SkyView System.
2. Your Blue Mountain system does not need to be in working order, but please include all of the components of your system, including the display, processor/computer box, ADAHRS/EMS modules, etc.
3. Your SkyView System purchased must include at least one display and one ADAHRS:
4. You must purchase the SkyView System by June 30th, 2011, to be eligible. You must send in the old equipment, your SkyView receipt, and this form within four months of the SkyView purchase date.
5. Dynon reserves the right to clarify and modify this offer at any time. If you have any questions, please request a clarification before purchasing a SkyView System by emailing your proposed trade-in to:  
**tradein@dynonavionics.com or calling 425-402-0433**

We want to make this offer reasonable and fair, so in case you have any questions please ask!

Thank you,  
Dynon Avionics
